

With the upgrade from basic to **premium account** you will

maximize the visibility of your profile:

- Placement at the top of the search results
- Increase the hit rate within the search through finer grouping
 - ➔ Selection of all sectors
 - ➔ Selection of all TOP categories
 - ➔ Selection of 15 sub-categories

Emphasize the individuality of your company in your profile:

- Upload your company logo
- Integration of pdf documents for your visitors to download
- Illustration of your portfolio by means of video
- Settings for news items in your profile

Put your products and services in the spotlight:

- Product manager
 - ➔ Integration of an unlimited number of items
 - ➔ Description by means of image and text
 - ➔ Each item is displayed in the slider of your profile header
 - ➔ Slider is already displayed in the search results list

Advertise and submit offers:

- Tender tool
 - ➔ Place your own orders that you would like to award
 - ➔ Offer your free capacities
 - ➔ Submit offers for external order requests
 - ➔ Exclusively visible for Premium members

Benefit from other advantages:

- Inclusion in marketing activities, e.g. profile presentation on LinkedIn
- Access to special prices, e.g. when booking advertisements
- Free support with initial filling
- Access to all new features that are implemented during the term
